Care instructions for sleepwear on these two pages: machine wash, tumble dry. To retain flame resistance, use detergent. Do not use soap or hardwater.

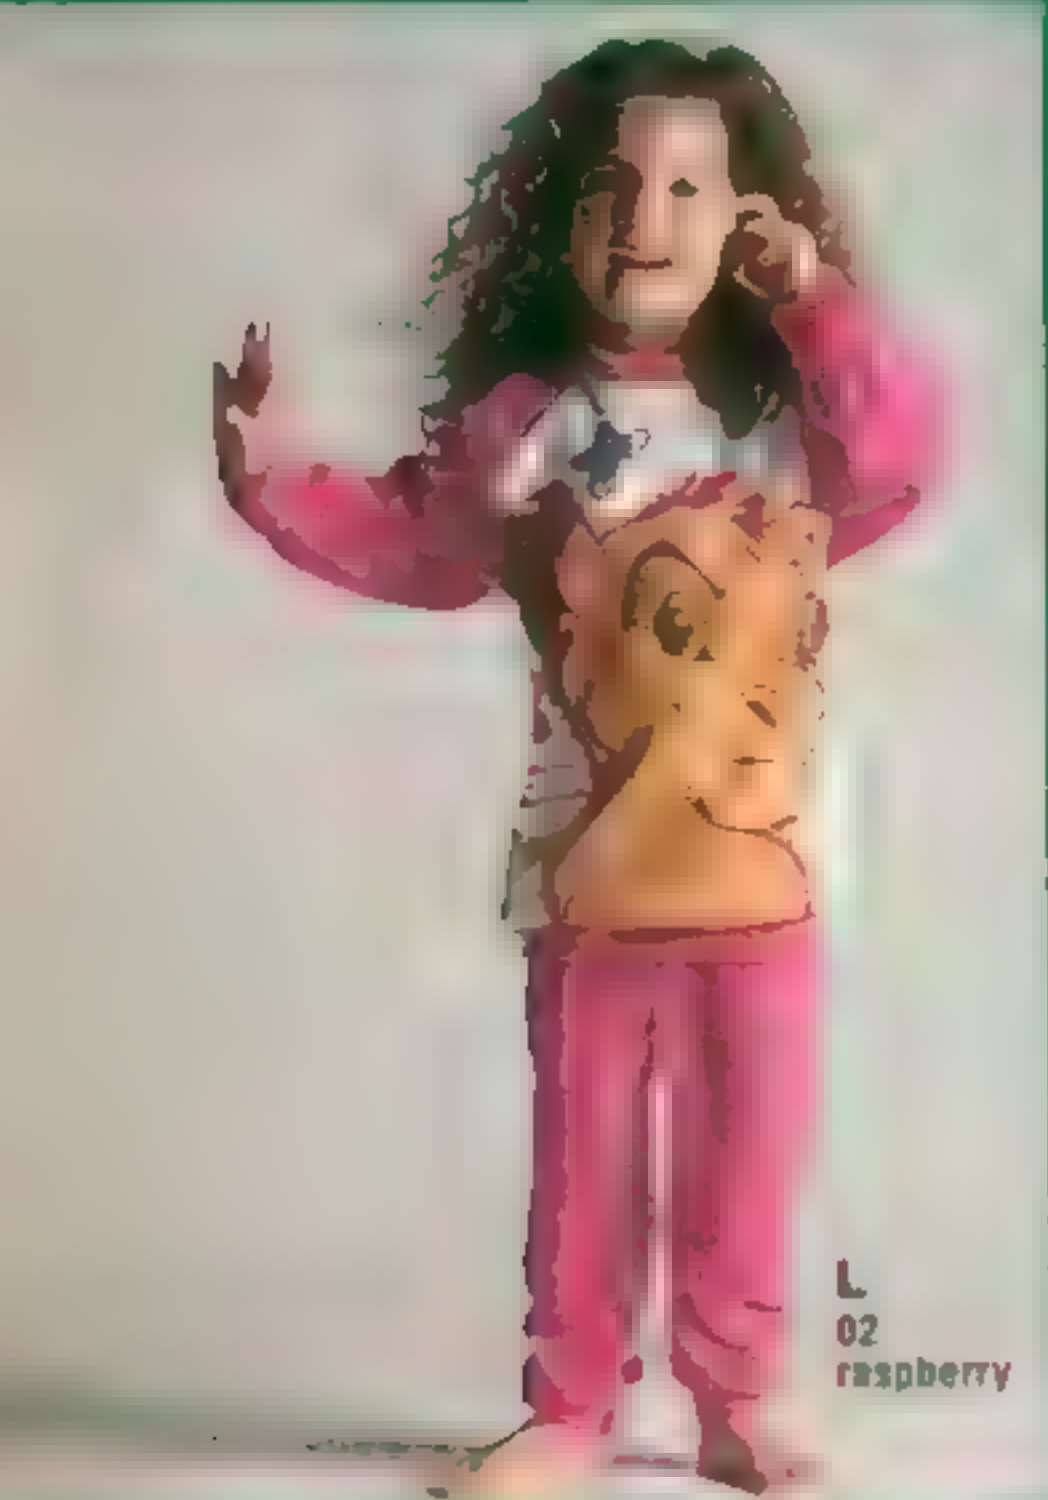

*All sleepwear on these two pages is flame-resistant and chemical free as defined by federal standards for children's sleepwear. The fabric of these garments is flame-resistant without the use of flame-retardant chemical treatment. See Penney Pointer below.

Penney Pointer on Children's Flame-Resistant Sleepwear

Flame-resistant sleepwear is more resistant to catching fire than ordinary sleepwear. Flame spreads more slowly when the source of fire is still in contact with garment. Flame is either self-extinguishing or easy to extinguish by brushing, slapping or smothering. Federal law sets flame-resistant standards for children's sleepwear sizes 0-14. Our sleepwear meets those standards.

Home Gyms

Don't wait in line or in crowded, steamy locker rooms... home gyms transform any room into a convenient fitness center. Our compact systems offer total body conditioning and are available to you at any time privately at home.

1 Gravity Edge Home Gym* uses a combination of body weight and gravity to create your desired resistance level. As you push up on the handles, seat simultaneously raises. Perform up to 38 exercises without the use of weights, rubber bands, cables or springs. Simply adjust shuttle and two locking pins to change resistance level, or to move from one exercise to another in mere seconds. Workouts include bench press, lat pull, military press, abdominal exercises and more. Heavy-gauge steel frame. Foam-padded, vinyl-upholstered seat (48" x 25" w. x 65" h.) Shipped in 2 boxes for UPS home delivery at your request. Imported from Canada. (101 lbs.) JP 815-1508 A *21 mo.† or **399.99**

Heart-Felt Gifts

Polar heart monitors help keep you in your ideal target heart-rate zone during exercise, so you can burn fat and stay fit. The ideal fitness program maintains target heart rate for 20-30 minutes of continuous aerobic activity. Exercising at lower than the target heart rate yields minimal results. A higher-than-target heart rate workout can begin to burn lean muscle tissues, rather than fat.

HOW TO MEASURE FOR FIREPLACE ENCLOSURES—Order enclosures for masonry fireplaces only. Be sure there are no obstructions or archways on the front of fireplace. Protruding bricks, mantel or damper control will prevent a flush fit for a good seal. Use a rigid ruler and measure inside width and height of opening. Select the size that is closest to fire box dimensions. Do not order unless measurements fall within the size range stated in charts. Fire screen will fit outside opening—we have provided the correct overlap.

Handcrafted, Quilted Cotton Throws

A to C Save 20-25%. Choose Any Combination of 2 or More and Pay the Lower Price for Each. Hand-pieced then hand-quilted in delightful holiday motifs. Geometrics and intricate piecing of 100% cotton fabric create holiday patterns in the tradition of true quilt-making. Throws and tree skirts have solid-color backs. Polyester fiberfill. Machine wash, tumble dry. Imported.

Patterns:

03 Presents Under the Tree. Patchwork train chugs around a decorated tree surrounded by brightly-bowed gift boxes.

New! 05 Tumbling Presents. Elaborate patterning presents creates a tumbling optical effect. Packages are surrounded by a snowflake border.

01 Double Wedding Ring. Reproduction of a 19th century pattern. The complexity of the pattern lies in the curved edges on all pieces. Considered a true test for the experienced quilter!

Comfort Lock design**
This patented design has three-sided borders that lock 40% more down in the center—keeps it from shifting to sides or bottom. Area within the borders is adjustable for your personal sleeping comfort.

A to D Light and Resilient Down helps keep body warmth in while allowing moisture to escape for a pleasant, comfortable sleep. The higher the Fill Power (FP), the more insulation and loft your comforter will have. Air regularly to maintain freshness. Dry clean only. Warranted by mfr. see p. 432. Made in U.S.A. of imported materials. From Fall '94 Cat. p. 1438.

MONOGRAMMING

Some items in this catalog can be personalized using our embroidered monogram process! For Styles 1, 4, and 5, the last name initial is typically larger and in the center.

MEN'S DRESS SHIRTS: Styles 1, 2, and 5 are available. On style 2, the monogram will be sewn straight across on your choice of the pocket or the cuff. State your first name initial, middle name initial (optional), and last name initial when ordering. All shirts are sewn in navy thread.

LADIES SHIRTS: Styles 2, 3, and 5 are available. On styles 2 and 3, the monogram will be sewn straight across on your choice of the pocket or the cuff. State your first name initial, middle name initial (optional), and last name initial when ordering. All shirts are sewn in navy thread.

QUILTS: State the names of the bride and groom (up to 16 characters total) and the date of the wedding. Style 6 will be used in a complimentary blue thread.

ROBES, WRAPS, & SLEEPWEAR: Styles 1, 2, and 3 are available. Garments can be monogrammed on either the left or right chest. Wraps will be monogrammed on the lower left side. Style 2 will be star-stepped. On all garments, navy thread will be used, or all other colors, white thread will be used.

INFANTS' SLEEPERS: Only style 8 is available. Up to 16 characters may be monogrammed with navy thread on the left chest below the application.

TOWELS, SHEETS & SHOWER CURTAINS: Styles 1, 3, 4, and 5 are available on towels and shower curtains. Sheets are available in styles 1 and 5 only. Style 3 will be sewn straight across. You may choose white, gold, navy, or a solid color that is complimentary to the item's color. (For example, a slightly darker blue thread may be used to monogram a light blue towel.) Please state your first name initial, your middle name initial, and your last name initial (if married, husband's first name initial, wife's first name initial, and your family name initial.)

PET COLLAR AND LEASH SETS: Only style 2 is available. Up to 17 characters may be monogrammed. The red sets will be sewn with black thread; the black sets will be sewn with white thread.

PET PILLOWS: Only style 2 is available. Up to 8 characters may be monogrammed with white thread.

CHILDREN'S SHIRTS AND SWEATERS: Styles 1, 3, and 5 are available. Style 3 will be sewn straight across. Long sleeve shirts may be monogrammed on the pocket or cuff; short sleeve shirts on the pocket only. Sweaters will be monogrammed on the left chest only. State your first name initial, middle name initial (optional), and last name initial when ordering. All shirts will be sewn in navy thread. Navy sweaters will be sewn in white thread; all others are sewn in navy thread.

Please allow one additional day for delivery.

DELIVERY CLASS A, B, AND C MERCHANDISE

Items that state only "delivery weight" or "weight" are Class A. Most of our merchandise—including all clothing—is Class A. Orders containing only Class A or B items can usually be sent to a Catalog Department or Home Delivered. Orders we receive by mail and orders requesting Home Delivery are usually delivered via United Parcel Service. Parcel Post is used in areas where UPS service is unavailable. Postal regulations restrict the mailability of Class B items—they can be picked up at a Catalog Department or delivered via UPS only.

Class C Delivery: See page 755 of our Fall/Winter '94 Catalog for details.

NOTE: In most areas UPS is not required to obtain a signature at delivery. They will ring your doorbell, then leave the package in a sheltered area, for example a front porch, or leave the package with a neighbor. If this is not acceptable, please specify Parcel Post or a pick up at a Catalog Department. For specific details on UPS delivery for your area, contact your local UPS office.

Factory-Shipped Merchandise. Some items—identified in the catalog—are shipped directly from the factory to your home. (See page 755 of our Fall/Winter '94 Catalog for details.)

Important: If you wish factory-shipped items to arrive before Christmas, your order must be received by the cut-off date noted in the item description.

Sales Taxes. Add state and local sales tax to every dollar of merchandise you order. Some states also tax the cost of shipping-and-handling. See page 759 of our Fall/Winter '94 Catalog for details.

Shipping-and-Handling Rates

Use this chart to estimate charges for Home Delivery of Class A or B items, and for Catalog Department Delivery for All Merchandise (Class A, B, or C). Rates are subject to change at any time.

| Order Weight | Home Delivery Class A or B | Catalog Department (All Items) | Order Weight | Home Delivery Class A or B | Catalog Department (All Items) |
|--------------|----------------------------|--------------------------------|--------------|----------------------------|--------------------------------|
| 0-5 lb. | \$2.75 | \$3.75 | 12-13 lb. | 9.50 | 12.75 |

| 10-11 lb. | 8.05 | 9.05 | 90-100 lb. | 28.75 | 32.25 |
| 11-12 lb. | 8.55 | 9.55 | | | |

Each lbs. over 100 lbs., add: 20¢ per lb. for Catalog Dept.; 30¢ per lb. for Home Delivery.

Alaska, Hawaii, and Puerto Rico Customers—see label for rates.

Weights in the Catalog are expressed in pounds and hundredths of pounds (.150 lbs. instead of 1 lb. 8 oz.). Weights stated are approximate, as they must often be estimated at the time the catalog is printed. Shipping charges are based on the actual weight of the entire order, including packaging. Although our catalog states one weight for several clothing sizes, shipping charges are computed using the actual weight of each size. The weights are regularly checked and corrected.

THE JCPENNEY CREDIT CARD ACCOUNT PROGRAM

Regular Charge—Everything we offer in our catalogs and stores can be bought on Regular Charge. Recordkeeping is simple! Our once-a-month statements are complete, permanent records of your purchase.

Major Purchase Charge—Many types of merchandise from our catalog may be charged as major purchases. There is a minimum purchase requirement of \$200. This minimum purchase requirement consists of the cost of merchandise plus transportation-and-handling charges plus sales tax, if applicable. (Individual items need not cost \$200, but the total of all items purchased on any single sales transaction must be \$200.) You don't have to finish payments on your first purchase before you buy again if you have available credit. You can count on payments that stay the same each month unless you add on purchases to a new "highest balance." The monthly payment may vary slightly when shipping and taxes are included.

How To Open A JCPenney Credit Account

If you are not mailing a catalog order and wish to apply for a JCPenney Credit Account, call 1-800-222-6161 and a credit application will be mailed to you for your completion.

If you are mailing a catalog order and you also wish to apply for a JCPenney Credit Account, read the following Credit Card Account Agreement thoroughly, and sign on page 439.

THIS AGREEMENT GIVES YOU THE INFORMATION YOU NEED TO CHARGE A PURCHASE ORDER TO A CREDIT ACCOUNT IF YOUR APPLICATION IS APPROVED. YOU WILL RECEIVE A COPY OF ALL THE CREDIT TERMS THAT WILL APPLY TO YOUR ACCOUNT WHEN YOU RECEIVE YOUR JCPENNEY CREDIT CARD(S).

Then complete the application on page 439 and sign it. This verifies that you've read the Credit Card Account Agreement below and that the information you've supplied on the JCPenney Credit Account Application is accurate. Please print and use a ballpoint pen (not a felt tip) when you fill out the application. Mail the application, with your order, to the Atlanta or Milwaukee Distribution Center, c/o New Accounts Department, to the appropriate address on page 436.

If you live in Arkansas, Delaware, Hawaii, North Dakota, or West Virginia, the following Credit Agreement does not apply to you. Please call the 800 number above and a credit application will be sent to you. If you live in Puerto Rico, the following Credit Agreement also does not apply. You will receive a separate JCPenney Credit Agreement for the correct Credit Agreement.

JCPenney Credit Card Account Agreement

This Credit Agreement does not apply to customers who live in Arkansas, Delaware, Hawaii, North Dakota, or West Virginia. It also does not apply to customers whose accounts will be billed by JCPenney's Credit Office in Puerto Rico. See the **How To Open A JCPenney Credit Account** box above.

In this agreement, *you* and *your* mean anyone who has applied for and been accepted for a JCPenney Credit Account. *We*, *us*, and *our* mean the J. C. Penney Company, Inc., P.O. Box 10001, Dallas, Texas 75301-0001.

To find out if there have been any changes to the credit terms of this agreement, write to JCPenney Credit Department, P.O. Box 300, Dallas, TX 75221.

Grace Period—You do not pay any finance charge if there is no previous balance or if credits and payments made within 25 days of the current billing date equal the balance at the beginning of the period.

Finance Charge—Finance charge not in excess of that permitted by law will be assessed on the outstanding balance from month to month. We figure the finance charge by applying the periodic rate(s) for your state to the average daily balance (ADB) of your account. See **Balance Computation Methods** below.

There is no minimum monthly finance charge if you have only a Major Purchase balance.

In Texas—Your variable finance charge rate is the Market Competitive Rate ceiling established under Texas law. The Market Competitive Rate ceiling is determined by the Texas Consumer Credit Commissioner and published in the Texas Register in September of each year. Any change in the ceiling published during September will be effective beginning October 1 of each year. An increase in the rate could lengthen the payment period.

Balance Computation Method—Average daily balance method (including current purchases) except in the states of ME, MA, MN, MT, NE, and NM where the average daily balance method (excluding current purchases) is used.

- To get the average daily balance, we take the beginning balance each day, add new purchases, and subtract payments and credits. In ME, MA, MN, MT, NE, and NM, current purchases are not included during the billing period in which they were made. In CA, LA, MS, and NM, unpaid finance charges from a previous billing period are not included.
- We add all the daily balances for the billing period and divide the total by the number of days in that period. This gives us the average daily balance.
- We figure the average daily balance separately for a Regular Charge balance and a Major Purchase balance. We add these average daily balances to get the account's total average daily balance.

Excluded from finance charge calculation are insurance premiums, returned check fees, and late payment fees.

Returned Check Fee—If a check sent as payment on your account and, or for insurance premiums, is returned unpaid by your bank, we may charge you a reasonable returned check fee.

Late Payment Fee—For the states listed below, we may assess a late payment fee for each required payment (excluding any insurance premium, returned check fee, and previously assessed late payment fee) that is not received from you within two consecutive billing periods. If you live in AL, AZ, CA, FL, KY, MT, OH, TX, or outside the U.S. (except for P.R.), the late payment fee is 5% of the late payment, but not more than \$5.00 (\$3.00 in OH). In MA, the late fee is 5% of the outstanding balance when the payment was due, but not more than \$5.00. If you live in CO, GA, ID, IL, IN, KS, LA, MD, MS, MO, NV, NH, NY, NC, OK, OR, SD, UT, VA, WA, the late payment fee is \$5.00; the late fee is \$4.00 in SC and \$2.00 in WI. This fee will be added to your required payment, but will not be subject to any finance charge.

Taxes on Finance Charge—In MS any finance charge assessed on an account is subject to applicable state and local sales taxes. These sales tax rates will change as the laws imposing them change. The current state sales tax rate is 7%. The current combined tax rate for Tupelo is 7.25%.

Payment Requirements—You agree to pay for all charges to your account made by you, a person authorized by you, or from which you receive a benefit. You also agree to pay finance charges, other charges, and fees applicable to your account. You can pay your entire account balance at any time. When your account has a balance, you agree to pay at least the required payment amount due each month, plus any past due amount, late fee, and returned check fee. Your required payment may also include any insurance premium if your policy is billed with your account.

Whistler® Radar Detectors

TRAFFIC RADAR TECHNOLOGIES: Traffic Radar Monitoring was first approved by the F.C.C. in the mid-1970's and began with the **X-Band**. Later, as more bands were developed, further monitoring of expanded bands **K, Ka, Wideband Ka and Super Wideband Ka** was approved. Today this monitoring technology has spread to a new field **Laser**, the latest traffic control technology, uses a beam of near infrared light that is similar to the signal from an infrared remote control. Laser signals can not be detected with conventional 3-band (X, K, Ka or SWKa) radar detectors.

LASER AND RADAR DETECTORS ON THIS PAGE may not function properly in some vehicles with electric front windshield defrosters. Radar detectors are not legal or available for sale in Virginia or Washington, D.C. Check local ordinances before ordering. All are warranted by manufacturer. See page 432 for details. **Compare features in chart below.**

Hoover NOTE: The Cleaning Effectiveness Per Amp number is not an Amp rating. Amps do not measure dirt removal, only the amount of electricity used. Cleaning Effectiveness Per Amp is determined by dividing this model's Cleaning Effectiveness by its Amps.

CLEANING EFFECTIVENESS is the percent value obtained from dividing the geometric mean of the amount of embedded carpet dirt removed in testing under ASTM Test Method F608-89 (a) by the value 29 (the geometric mean of the midpoints of the Dirt Pick Up Scales of ASTM F1411 Buyers Guide).
